Swimming Data
Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dryland which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study.</p>	<p>32% (19/60 pupils)</p>
---	----------------------------------

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above</p>	<p>32% (19/60 pupils)</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above</p>	<p>37% (22 pupils)</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>32% (19/60 pupils)</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>The current year 6 cohort had extra swimming in year 5 and during year 6 it was not possible due to the very packed curriculum as well as KS2 SATs.</p>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation: 0%
Intent	Implementation	Impact	Sustainability	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice.	Make sure your actions to achieve are linked to your intentions.	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps.
a) Increase teacher confidence and pedagogical knowledge in PE.	PE lead to carry out CPD with staff in enhancing the teaching of PE at the school.	£0	Staff gained valuable knowledge and skills in PE working with a new curriculum and PE lead.	Working with a specialist will continue to enhance skills, subject knowledge and pedagogical knowledge of staff.
b) Enhance teachers' knowledge of PE and fitness so that they feel confident in delivering great PE lessons. Teachers have the knowledge to teach children to stay fit and healthy and are good role models for them.	Recruit a PE specialist to run a training session for staff.	£0	Staff have also gained valuable knowledge and skills in PE through working with a specialist in the field of PE.	Next Steps: Continue to focus on upskilling staff so that they feel confident in teaching PE and sport. Work with a specialist in PE to increase confidence and knowledge of subject leader and teachers across the school. Recruit a PE coordinator at the school.
