Introduction

- 1.1 School uniform is compulsory at Al-Noor Primary School. Pupils wear school uniform when attending school, or when participating in an event organised by the school outside normal school hours. The school provides a complete list of school uniform in the school's *Parental Handbook*, which is distributed to all parents upon enrolling a child at the school.

Aims and Objectives

- 1.2 Al-Noor Primary school believes that wearing school uniform, underscores the full, equal worth of each pupil and demonstrates the coming together for a common purpose, unifying the school community alongside the school's vision, values and ethos. School uniform also:
- promotes a sense of pride in being part of the school;
 - engenders a sense of community and belonging towards the school;
 - is practical and smart;
 - is in line with the ethos of the school;
 - prevents the distractions of fashion from the purpose of school life;
 - aims to equalise children in terms of their appearance;
 - is of good quality, suitable wear for school and good value for money.

Other

2.1 School book bags with the school logo are **required**. PE bags with the school logo are **optional**. Lunch boxes, additional school bags and coats can be bought from other retailers and must not be decorated with images of people or animals.

2.2 Children in all classes must come to school wearing their PE uniform on the day(s) they have PE scheduled and stay in it for the whole day. Children must also wear black plimsolls only, as prescribed on the uniform list. No other footwear is permissible.

2.3 Nail varnish and make up

The wearing of nail varnish and make up by pupils is strictly prohibited.

2.4 Jewellery

On health and safety grounds we do not allow children to wear jewellery at school. The exceptions to this rule are 'stud' earrings for girls who have pierced ears. We ask children to remove these during PE lessons, or cover them with a plaster to prevent them from causing injury.

2.5 Haircuts

Part-shaving of the head (qaza') (unless for medical purposes) was forbidden by RasulAllah (ﷺ):

Ibn Umar reported: The Messenger of Allah (ﷺ), prohibited partial shaving. It was said to Nafi', "What is partial shaving?" Nafi' said, "It is to shave part of a boy's head and leave the rest."

[Ṣaḥīḥ Muslim 2120]

In another narration, the Prophet said, "Shave it all or leave it all."

[Ṣaḥīḥ Sunan an-Nasa'i 5048]

As a Muslim school, we adhere to this principle, so expect that children's hair should never be cut so short in parts, that it looks as though part of the head has almost or entirely been shaved off. Children attending school with this style of haircut will be required to get it levelled out by the next day and will be sent home if this is not done. Partially shaved eyebrows or hair that is longer than the bottom of the neck (for boys) is also prohibited.

2.6 Footwear

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes that have platform soles or high heels, so we do not allow children to wear such shoes in our school. Neither do we allow children to wear trainers to school; this is because we think that this footwear is appropriate for sport or for leisurewear but is not in keeping with the smart appearance required by the school's uniform. We oblige all children to wear shoes as stated in the uniform list. All shoes must have non-marking soles to prevent damage to school carpets and floor coverings.

2.7 School Uniform during Colder Weather

During the winter, or whenever the weather is colder, pupils can wear the following garments under the standard school uniform to keep warm:

- **Under shirts:** plain, collar-less, white, long or short-sleeved tops or thermal tops;
- **Under trousers:** plain pyjamas or thermal leggings.

2.8 Hats

Boys whose parents wish them to wear a cloth hat (topi) may wear a white cloth hat (topi).

Exceptions

- 3.1 If a child has a medical condition that warrants it, or cannot fit into sizes available from the uniform supplier, allowances can be made for parents to privately tailor their child's uniform in the exact shade and style, in a more suitable cloth or to the right size.
- 3.2 Prior authorisation for this must be sought from the headteacher in writing. Parents who wish to invoke this are required to submit the request to the headteacher in writing, with a doctor's note to support a request on medical grounds.
- 3.3 Parents must await a written response from the headteacher before placing orders, making purchases, or departing from the set school uniform in any form.

The Role of Parents

- 4.1 We ask all parents who send their children to our school to adhere carefully to the school uniform policy. It is the duty of parents to send their children to school correctly dressed and ready for each school day, ensuring that their child's uniform is always clean, stain-free, pressed and in a good state of repair. Safeguarding guidelines given to schools often note that poorly turned out pupils might be suffering from neglect, which is a safeguarding concern.
- 4.2 **Labelling School Kit**
Parents/guardians are asked to clearly label all items of school uniform, P.E. Kit, school bags and lunch boxes with their child's name. It is far more likely that labelled items will be found if lost, than unlabelled ones.
- 4.3 **Lost Property**
The school does not take responsibility for items lost at school. Whilst school staff members do try their best to help parents locate lost items of school uniform or kit, they are not obliged to do so. Parents are requested to regularly check the school lost property bin for lost items and instruct their child to take care of his/her property. Unclaimed items of lost property will be displayed in the School Playground on Friday afternoons for 3 weeks before the end of the school term for parents to collect. For unlabelled items of uniform that have been lost, parents are permitted to take **any unlabelled, corresponding item** (same size and item as the one lost). Any items of lost uniform remaining at the end of the term will be given to charity. Items damaged due to weathering will be disposed of.

Enforcement

- 5.1 The school insists on high standards for pupil presentation and grooming at the school each day and will enforce the terms of the uniform policy to ensure this. It must be pointed out additionally that the requirements for Safeguarding children necessitate staff taking note of regularly 'poorly turned out' pupils as an indicator of neglect.

- 5.2** If a child attends school wearing an incorrect item, his/her parents will be sent an email or receive a phone call to point this out and ensure the correct school uniform is worn in future.
- 5.3** If a child wears incorrect school uniform again despite the above, the child's teacher will ask parents verbally (when parents collects/drops-off child to school or by phone) to ensure their child wears the correct school uniform in future.
- 5.4** If a child wears incorrect school uniform for a third consecutive time, parents will be asked to bring in the correct item of clothing.
- 5.5** If a child continues to wear incorrect clothing, s/he may be barred entry and his/her parents asked to take him/her home until s/he returns wearing the correct uniform.
