## Important contacts

ROLE	NAME	CONTACT DETAILS
Designated safeguarding lead (DSL)	Nusrat Abdulla	07534032489
Deputy DSL	Zaheera Navlakhi Daniela Zerouak Someera Butt	Extension: 209 Extension: 211 Extension: 206
Headteacher	Someera Butt	02085977576
Local authority designated officer (LADO)	Helen Curtis	0208 708 5350
Chair of governors	Akhter Roaf	02085977576

## 1. Scope and definitions

This addendum applies during the period of phased return following school closure due to COVID-19. It reflects updated advice from our 3 local safeguarding partners and local authority (LA) Redbridge.

It sets out changes to our normal child protection policy in light of the Department for Education's guidance [Coronavirus: safeguarding in schools, colleges and other providers](#), and should be read in conjunction with that policy.

Unless covered here, our normal child protection policy continues to apply.

The Department for Education's definition of 'vulnerable children' includes those who:

- Are assessed as being in need, including children:
  - With a child protection plan
  - With a child in need plan
  - Looked after by the local authority
- Have an education, health and care (EHC) plan
- Have been assessed as otherwise vulnerable by educational providers or LAs, for example those who are:
  - On the edge of receiving support from children's social care services
  - Adopted
  - At risk of becoming NEET ('not in employment, education or training')
  - Living in temporary accommodation
  - Young carers
  - Considered vulnerable at the provider and LA's discretion

## 2. Core safeguarding principles

We will still have regard to the statutory safeguarding guidance, [Keeping Children Safe in Education](#).

Although we are operating in a different way to normal, we are still following these important safeguarding principles:

- The best interests of children must come first
- If anyone has a safeguarding concern about any child, they should continue to act on it immediately
- A designated safeguarding lead (DSL) or deputy should be available at all times
- It's essential that unsuitable people don't enter the school workforce or gain access to children
- Children should continue to be protected when they are online

## 3. Reporting concerns

All staff and volunteers must continue to act on any concerns they have about a child immediately. It is still vitally important to do this, both for children continuing to attend or returning to school and those at home.

As a reminder, all staff should continue to work with and support children's social workers, where they have one, to help protect vulnerable children.

## 4. DSL (and deputy) arrangements

We aim to have a trained DSL or deputy DSL on site wherever possible. Details of all important contacts are listed in the 'Important contacts' section at the start of this addendum.

If our DSL can't be in school, they can be contacted remotely on: 07534032489

We will ensure that DSLs (and deputies), wherever their location, know who the most vulnerable children in our school are.

## 5. Working with other agencies

We will continue to work with children's social care and with virtual school heads for looked-after and previously looked-after children.

We will continue to update this addendum where necessary, to reflect any updated guidance from:

- Our 3 local safeguarding partners
- The local authority about children with education, health and care (EHC) plans, the local authority designated officer and children's social care, reporting mechanisms, referral thresholds and children in need

## 6. Monitoring attendance

We will resume taking our attendance register. We will also continue to submit the Department for Education's daily online attendance form, until no longer asked to do so.

Where any child we expect to attend school doesn't attend, or stops attending, we will:

- Follow up on their absence with their parents or carers, by telephone/email.
- Notify their social worker, where they have one

We will make arrangements with parents and carers to make sure we have up-to-date emergency contact details, and additional contact details where possible.

## 7. Peer-on-peer abuse

We will continue to follow the principles set out in part 5 of Keeping Children Safe in Education when managing reports and supporting victims of peer-on-peer abuse.

Staff should continue to act on any concerns they have immediately – about both children attending school and those at home.

## 8. Concerns about a staff member or volunteer

We will continue to follow the principles set out in part 4 of Keeping Children Safe in Education.

Staff should continue to act on any concerns they have immediately – whether those concerns are about staff/volunteers working on site or remotely.

We will continue to refer adults who have harmed or pose a risk of harm to a child or vulnerable adult to the Disclosure and Barring Service (DBS).

We will continue to refer potential cases of teacher misconduct to the Teaching Regulation Agency. We will do this using the email address [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk) for the duration of the COVID-19 period, in line with government guidance.

## 9. Contact plans

Currently we have no children who is on a child protection plan however we would put in place contact plans for children with a social worker, and other children who we have safeguarding concerns about, for circumstances where:

- They won't be attending school (for example where the school, parent/carer and social worker, if relevant, have decided together that this wouldn't be in the child's best interests); or
- They would usually attend but have to self-isolate

Each child that may have an individual plan, will set out

How often the school will make contact – this will be at least once a week

- › Which staff member(s) will make contact – as far as possible, this will be staff who know the family well
- › How staff will make contact – this will be over the phone, doorstep visits, or a combination of both

We will agree these plans with children's social care where relevant, and will review them as necessary. If we can't make contact, we will contact the social workers involved.

## 10. Safeguarding all children

Staff and volunteers are aware that this difficult time potentially puts all children at greater risk.

Staff and volunteers will continue to be alert to any signs of abuse, or effects on pupils' mental health that are also safeguarding concerns, and act on concerns immediately in line with the procedures set out in section 3 above.

### 10.1 Children returning to school

The DSL (or deputy) will do all they reasonably can to find out from parents and carers whether there have been any changes regarding welfare, health and wellbeing that they should be aware of before the child returns.

The DSL (and deputy) will be given more time to support staff and children regarding new concerns (and referrals as appropriate) as more children return to school.

Staff and volunteers will be alert to any new safeguarding concerns as they see pupils in person.

### 10.2 Children at home

The school will maintain contact with children who are not yet returning to school. Staff will try to speak directly to children at home to help identify any concerns. They will use school phones and devices to make calls home. Or, if necessary they will use personal phones but they will withhold their personal number.

Staff and volunteers will look out for signs like:

- › Not completing assigned work or logging on to school systems
- › No contact from children or families
- › Seeming more withdrawn during any class check-ins or video calls

## 11. Online safety

### 11.1 In school

We will continue to have appropriate filtering and monitoring systems in place in school.

### 11.2 Outside school

Where staff are interacting with children online, they will continue to follow our existing staff behaviour policy/code of conduct/IT acceptable use policy.

#### DO

- Follow the Acceptable Use Policy to use technology safely
- Communication during school hours only
- Neutral backgrounds when filming/broadcasting
- Appropriate/professional dress. As the broadcast will involve face to face interactions, appropriate dress is advised for pupils, including the hijab for all KS2 girls
- Appropriate/professional behaviour - codes of conduct still apply for children and staff
- Ensure only head and shoulders are visible during a broadcast

- Broadcasts will be recorded by the school host so there's a record to go back to if required - Pupils will be informed of this when joining the call.
- Check all open tabs on the browser before sharing a screen, in case of inappropriate content
- Parents should supervise children during live broadcasts and ensure they take place in a shared space.
- Pupils are only allowed to use school accounts for school work and videos/broadcasts and be aware that these are monitored
- Alert a staff member if a child is exposed to anything concerning or bullying is suspected, pupils should also be told to alert parents or staff members of the same
- Be aware that parents have the right to opt out of live broadcasts and can opt to use audio only
- Please note the sessions are optional in case you do not consent for your child to take part due to data protection concerns

#### **DON'T**

- Communicate outside our agreed systems and platforms (Google Meet, phone calls and emails from school email addresses)
- Use personal email addresses or social media to communicate
- Let parents or pupils see staff personal phone numbers
- Film from bedrooms, use a shared space like a living room or kitchen
- Have 1:1 video chats between staff and pupils without parental and school knowledge

Staff will continue to be alert to signs that a child may be at risk of harm online, and act on any concerns immediately, following our reporting procedures as set out in section 3 of this addendum.

We will make sure children know how to report any concerns they have back to our school, and signpost them to other sources of support too.

### **11.3 Working with parents and carers**

We will make sure parents and carers:

- Are aware of the potential risks to children online and the importance of staying safe online
- Know what our school is asking children to do online, including what sites they will be using and who they will be interacting with from our school
- Are aware that they should only use reputable online companies or tutors if they wish to supplement the remote teaching and resources our school provides
- Know where else they can go for support to keep their children safe online

## **12. Mental health**

### **12.1 Children returning to school**

Staff and volunteers will be aware of the possible effects that this period may have had on pupils' mental health. They will look out for behavioural signs, including pupils being fearful, withdrawn, aggressive, oppositional or excessively clingy, to help identify where support may be needed.

### **12.2 Children at home**

Where possible, we will continue to offer our current support for pupil mental health for all pupils.

We will also signpost all pupils, parents/carers and staff to other resources to support good mental health at this time.

When setting expectations for pupils learning remotely and not attending school, teachers will bear in mind the potential impact of the current situation on both children's and adults' mental health.

## 13. Staff recruitment

### 13.1 Recruiting new staff and volunteers

We continue to recognise the importance of robust safer recruitment procedures, so that adults and volunteers who work in our school are safe to work with children.

We will continue to follow our safer recruitment procedures, and part 3 of Keeping Children Safe in Education.

In urgent cases, when validating proof of identity documents to apply for a DBS check, we will initially accept verification of scanned documents via online video link, rather than being in physical possession of the original documents. This approach is in line with revised guidance from the [DBS](#). New staff must still present the original documents when they first attend work at our school.

Similarly, temporary measures allow right to work checks to be carried out by verifying scanned documents on a video call. If we need to take this approach, we will follow [Home Office and Immigration Enforcement guidance](#).

We will continue to do our usual checks on new volunteers, and do risk assessments to decide whether volunteers who aren't in regulated activity should have an enhanced DBS check, in accordance with paragraphs 167-172 of Keeping Children Safe in Education.

## 14. Safeguarding induction and training

We will make sure staff and volunteers are aware of changes to our procedures and local arrangements.

### 14.1 New staff induction

New staff and volunteers will continue to receive:

- A safeguarding induction
- A copy of our children protection policy (and this addendum)
- Keeping Children Safe in Education part 1

### 14.2 DSL training

The DSL (and deputy) have been attending training online wherever possible

The DSL (and deputy) will do what they reasonably can to keep up to date with safeguarding developments, such as via safeguarding partners, newsletters and professional advice groups.

## 15. Keeping records of who's on site

We will keep a record of which staff and volunteers are on site each day, and that appropriate checks have been carried out for them.

We will continue to keep our single central record up to date.

We will use the single central record to log:

- Everyone working or volunteering in our school each day.

## 16. Monitoring arrangements

This policy will be reviewed as guidance from the 3 local safeguarding partners, the LA or Department for Education is updated, and as a minimum 4 weeks] by Nusrat Abdulla, DSL. At every review, it will be approved by the full governing board.

## 17. Links with other policies

This policy links to the following policies and procedures:

- Child protection policy
- Staff code of conduct
- IT acceptable use policy
- Health and safety policy
- Online safety policy
