### Important note:

The list of topics we cover in each year group should help you decide which vocabulary list to practice. Please note that the autumn 1 and autumn 2 topics are combined in year 1 to year 6. The autumn 2 topic is the main topic taught in Autumn term. In addition to this, many previously taught topics are reused in upper year groups. i.e. in year 2 we may cover the topic of clothes (spring 1), but at the same time we will revisit some of the topics learnt before that in year 1 and Reception.

Also, **Autumn** term begins in September, **Spring** term in January and **Summer** term at the end of April each year.
